

# CORVETTES OF MINNESOTA FALL COLOR CRUISE

The annual Fall COM Cruise is open to everyone, regardless of car or club membership, and is also free to attend. This year we will be visiting the Wheels and Wings car and air show in Osceola, Wisconsin, plus driving some scenic roads in Western Wisconsin and Eastern Minnesota.

Registration is at the Stillwater McDonald's, 14545 N. 60<sup>th</sup> St (south frontage road for Mn 36, about 1 mile west of the new St. Croix River Crossing Bridge). Come early to register (no fee!) and have breakfast. Depart at 10:00 am. We'll caravan on some Western Wisconsin scenic roads, and arrive at the Osceola, Wisconsin, airport about 11:30.

"Wheels and Wings" is a free show (40<sup>th</sup> Anniversary Year!), with a car show, motorcycle show, and airplane show from 8 am to 4 pm. The formal car show is 9 am to 1 pm, and there is an air show from 11:00 to 12:30. A radar run (additional cost) on a runway is at 1:00 pm. Food vendors, helicopter and airplane rides (extra \$), and displays to view.

Depart from "Wheels and Wings" at 1:30, and cruise back to Stillwater on some scenic Minnesota roads. We'll arrive at the finish at the Stillwater area Muddy Cow, 5991 Norwich Ave. N, Oak Park Heights (1/2 mile West of the Start Point McDonald's) about 3:00 pm. Muddy Cow has burgers, sandwiches, appetizers, and always has "2 for 1" on pizza and beer.
